

**British Columbia Court of Appeal
Practice Directive (Civil & Criminal)**

Title: Case Compilation & Presentation Software

Issued: 11 July 2022

Effective: 18 July 2022

Cite as: *Case Compilation & Presentation Software (Civil & Criminal Practice Directive, 18 July 2022)*

The Court has, in the last several years, continued experimenting with case compilation and presentation software. As well, the Court notes the frequent use of case compilation and presentation software in other jurisdictions, such as CaseLines in Ontario.

The Court would like to continue to experiment and evaluate options for compiling and presenting appeals electronically.

Those who are interested in using such software should submit a proposal to the Registrar, who will authorize and provide directions on its use.
